ANNEXURE TO STATEMENT ACCOMPANYING FORM-A

Certified that thatched buildings are not used for conducting any classes for school premises. If any thatched buildings are constructed after issued of this licence, I/we are held responsible for any fire accident that occurs later and tha I / we are aware that our license will be cancelled and it is a punishable crime.

Further it is certified that no addition or alteration will be made to the existing building or portion of a building for which this application has been made. I undertake to obtain a fresh license in case any addition or alteration is made to the eixsting building or portion of building. I also undertake to obtain a fresh license if the purpose for which the license was granted for the use of the building or portion of building originally is changed or altered subsequently.

It is also understood that the conditions of all existing, adjacent / other floor or other buildings of any types within this premises which were not opted/covered for the purpose which the licence was granted would be brought under the risk of my own.

We are well aware of that the underground amenities like water supms, septic tanks, borewells and open wells should be kept always closed tigid condition for all time safety measures to students / publics.
